

My Dad

*Even though I'm not grown up yet,
and I know that I still have many
things to learn. I want to thank you Dad, for
all the things that you have taught me.*

*The love and understanding that
you show me makes me know that no
matter what I face in the future I will
always have my Dad to turn to.*

*I know I will make mistakes but I will
try to learn from them.*

*Dad I love you very much and I will
try to make you really proud of me.
And I will always remember the love
My Wonderful Dad gave to me when
I needed it the most.*
