

## *Dad*

*You've always tried to help make  
everything right with my world.*

*You've been there to laugh with me, to be  
proud of me, and to be happy for all the good  
things in my life. And, maybe even more  
importantly, you've shared my disappointments,  
and listened as I worked out my thoughts  
and feelings about so many things that  
troubled me as I was growing up.*

*You're a very important part of my world,*

*Dad, so I want to thank you now,  
and tell you that I hope everything will  
always be right with your world, too...*

*because I love you.*
