

You're The One That I Love

*You touch my life with so much love,
In your own gentle way. . .*

Your trust and your belief in me

Support me, day by day. . .

You're the special inspiration

For my brightest hopes and dreams. . .

And when I need someone to care,

You're always there, it seems.

You're my friend, my love, my sweetheart,

And my happiness, it's true. . .

For you're the one that I love,

And will my whole life through!
